Mahe Institute of Dental Sciences (MINDS) - Located in Mahe, between Calicut and Kannur, known for its scenic beauty, French architecture, and rich culture. The vision behind Mahe Institute of Dental Sciences & Hospital, MINDS, was to revolutionize the approach to dental education. This esteemed institution embraces a holistic methodology in developing skilled and scientific professionals, offering students a panoramic view of the future of dentistry. At Mahe Institute of Dental Sciences & Hospital, MINDS, we are committed to providing quality education supported by three key pillars: access to exceptional teachers, utilization of premium learning tools, and fostering a safe and supportive scholastic environment that promotes professional development. Our goal is to cultivate critical thinking skills and instill a sense of humanity in our students, as stated by Martin Luther King: "Intelligence plus character - that is the goal of true education."
